Electrical and Computer Engineering 4850
Engineering Communications II

Required

Course Description:
Includes professional engineering project reports, oral design reviews, presentation graphics, and project presentation.

Prerequisites:
ECE 4830 and

Textbook:
No textbook required

Course Outcomes:

Topics Covered:

Outcome Assessments (Grades):

Class Schedule:
Class Once a week for one hour and fifteen minutes.

Contribution of course to meeting the requirements of Criterion 5:
1 credit hours of Engineering Topics and contains significant engineering design content

Relationship of course to student outcomes:
g. An ability to communicate effectively.

Instructor:
Jolynne Berrett, PhD Student
August 2013
